

PHOTOGRAPHS AT THE CITY OF WINNIPEG ARCHIVES

WINNIPEG IN FOCUS

The City of Winnipeg Archives has around 20,000 photographs, postcards, and other graphic images. The collection includes views of buildings, street scenes and neighbourhoods, city works and operations, and some photographs of civic politicians and personnel.

Searching and browsing our image-rich collection...

[Winnipeg in Focus](#) provides users with online access to parts of our photograph collections. Additions to the database will be ongoing.

- All photographs currently online can be viewed in the [images](#) section.
- For help using Winnipeg in Focus, see the [help section](#).
- [Finding aids](#) for many of our collections are available online and can be useful tools for identifying photographs.
- Photographs can be accessed in-person or scans can be provided, as resources allow (access or use restrictions may apply).
- [Contact](#) us for more details on accessing photographs.

Portage and Main, 1927. City of Winnipeg Archives. Photograph Collection (P2 File 43).
