Gentlemen

As I understand you about to
organize a Police Force for the City
of Newf^roy & that you require a chief
for the same I beg leave most res-

confidence I promise you that nothing
in my power shall be left undone
towards advancing the discipline & repu-
larity of the force well as the peace &
quiet of the city

I presume to offer myself as a candidate
(though a stranger) having served nearly two
years in the Halifax Police Force & ~~only~~^{left it}
to join the detachment coming up here
& have now served in the Prov^l Batt. since
last June as also having served previously
in one of Her Majesty's Cavalry regiments
I also beg to enclose testimonials
from my commanding officer &
officers of the Prov^l Batt.
