

FRED. E. OSBORNE  
MAYOR.

AUGUST 5, 1929

1441  
Mayor Daniel McLean,  
Mayor of Winnipeg,  
Winnipeg, Man.

Dear Mr. Mayor:

Will you kindly send to me, personally,  
a statement of the conditions under which the  
Winnipeg Policemen went out during the 1919 strike.

I am having some controversy here in  
regard to the policemen belonging to a labor union.  
Labor leaders inform me that the Winnipeg police-  
men did not go out at the request of organized  
labor, and that organized labor had nothing what-  
ever to do with them going out. I should be glad  
if you would send me a correct statement as to  
what actually happened at that time.

If you have any information in regard  
to the firemen going out at the same time, I should  
be glad to have it also.

Will you also advise me how these essen-  
tial services were taken care of during the strike?

Yours truly,

MAYOR.
