YOUTH APPRECIATION WEEK

WHEREAS the Optimist Clubs in Canada and the United States are convinced that the vast majority of North America's deserving youths do not receive the public acclaim they have earned;

AND WHEREAS the Optimist Clubs of Winnipeg have sponsored this event in our community for the past six (6) years;

AND WHEREAS the residents of Winnipeg wish to join the Optimists in expressing their appreciation of these youngsters and their undertakings;

NOW, THEREFORE, I, Stephen Juba, Mayor of the City of Winnipeg PROCLAIM November 14th to 20th as

YOUTH APPRECIATION WEEK

and hope that each adult in our City will praise the younger generation during this week and will also extend to the children their confidence that the young people can capably cope with the problems of the future which will be governed by them.
