

Light and Power Dept.

City of Winnipeg

Canada

May 16th, 1919.

No. _____

To the Chairman and Members,
Committee on Finance,
City Hall, C I T Y.

Gentlemen:

I beg to recommend that I be authorised to pay all employees who are assisting me in keeping the hydro-electric system operating, ~~be paid~~ overtime on a pro-rata basis for all time over the regular eight hour day that they would work under ordinary conditions.

I would forward this recommendation to the Fire, Water, Light and Power Committee, but since it is extremely important to me and the men running the plant to have this matter definitely known at the earliest possible moment, I trust your Committee will see the expediency of this manner of handling the affair, and will authorise me to act accordingly.

Yours truly,

A handwritten signature in dark ink, appearing to read "J. G. B." followed by a flourish.
MANAGER.
